2023 BENTLEY TRICYCLE MULLINER

BRAND NEW 2023 BENTLEY TRICYCLE MULLINER

The Bentley Mulliner Tricycle was inspired by the Bentley Continental GT Mulliner, known as an ultra-luxury vehicle among Grand Turismo.

The Bentley Mulliner was sold shortly after it made its debut to the market, in 2020. In 2023, introducing the Bentley Mulliner Tricycle, a deluxe, Bentley Mulliner style tricycle for children.

2023 BENTLEY TRICYCLE MULLINER ADVANTAGES:

The details of the tricycle were reproduced using the original 3D files of Bentley designers.

The color on the tricycle's frame comes from Bentley palette's color, White Sand.

The new level-up parent's bag was thoughtfully manufactured for the Bentley Mulliner Tricycle with best-in-class faux leather and handmade "Double Diamonds" stitching.

There is a new seat fiber pad, which was developed specifically for this model. With assistance of soft inserts, this seat simulates the shape of the car seat and ensures extra-comfort for your child's ride.

The new metal pedal with anti-slide surface design is the exact replica of the Bentley Mulliner gas pedal.

The Double Diamonds stitching symbolizes the brilliant facets, a remarkable element of Mulliner design.

The up-to-date "Bentley" labeled magnetic buckle combined with the elastic 5-point belt ensures optimal safety and trust from one hand and the simplicity of usage from another.

In an effort to keep one of the most noteworthy benefits of the previous model's exterior, there are handmade cross-stitching leather inserts on the handlebar grips, safety guard, and parent remote control.

The tricycle's wheels follow Bentley Mulliner GT wheel design to a tee. The wheel-center cap ensures the "B" badge is always in the motionless upright position.

BENTLEY 6-in-1 TRICYCLE

Designed in collaboration and under license with Bentley Motors Limited, the Bentley Tricycle takes its design inspiration from that of the actual cars. Matching

wheels, paints, and stitching are just some of the detailed features that make this a truly Bentley product.

for safe stops

BENTLEY TRICYCLE MODELS

MODIFICATION:

Bentley Bike Models

STAGE 1 (6 month +):

A seat with a 180-degree rotation and accessory toddlers' footrests ensures a safe, comfortable tricycle for children as young as 6 months.

STAGE 2.

The canopy folds in 2 positions with different deflection angles. When necessary, the accessory footrests and canopy can be removed effortlessly.

STAGE 1.

The backrest tilt can be adjusted to 2 positions while the height of the parent ride control handlebar may be adjusted as well.

STAGE 3 (3 years +):

Highly recommended to remove the tricycle canopy and parent handlebar and replacing the parent handlebar with the protective rubber plug. This will enable your child to ride independently.

STAGE 2 (18 months+):

A waterproof canopy protects your little one from the rain, extreme wind and harsh sun rays.

STAGE 4 (3.5 years +):

Another recommendation is removing the backrest, safety belts, footrests, safety guard and trunk from the tricycle. This will ensure your older little one can ride comfortably.

- BB1W Glacier White
- BB1R Dragon Red
- BB1O Onyx Black
- BB1B Sequin Blue
- BB1OW Onyx & Glacier White
- BB1RW Dragon Red & Glacier White
- BB1BW Sequin Blue & Glacier White

BENTLEY BALANCE BIKE ADVANTAGES:

Bentley Balance Bike

The Magnesium Alloy Frame is developed to be exceptionally strong and lightweight; it can effectively support up to 35 kilograms of weight at only 650 grams itself.

The Faux Leather Seats on our bikes are fitted with a carbon pattern that provides the perfect combination of comfort and texture for enjoying the bikes all day long.

The Aluminum Rims are designed to withstand high degrees of curb weight while decreasing the overall weight of the bikes

The Ergonomically Adjustable Handlebar and Seat make these bikes the perfect ride as children grow into their use.

The Disk Brakes on Bentley Balance bikes are another example of us going above and beyond to ensure the safety and comfort for our little users.

The Air Filled 12-inch Rubber Tyres add to the comfortable ride on uneven surfaces, and to the overall luxurious aesthetic.

ACCESSORIES BENTLEY PARKING COVER

The Bentley parking cover is perfect for storage on the Bentley Tricycle. It suits Bentley tricycles, the basic 6-in-1 and Mulliner editions. You can expect the cover to protect your tricycle from all weather conditions while shielding it from dust.

Bentley Parking Cover

The Bentley Cover features an elastic hem for a snug fit and reflective piping. Portable and compact, the Bentley Parking Cover comes with a black fiber carrying bag branded with Bentley logo.

Warning: Use only for storage. Cover the tricycle under adult supervision.

ACCESSORIES BENTLEY BADGE PROJECTOR

The Bentley badge projector offers high-quality logo projection, a universal fit, easy installation, and a completely hands-off wireless design

to proudly display the Bentley logo on the ground, every time you turn on the light. It may be displayed on the parent ride control or on the

handlebar, shining the light of the Bentley logo on flat, smooth surfaces. Batteries are not included. Under development
